After exploring these treasures of Palermo, we will return to the coach for the next leg of our journey. We will then head towards Castellammare del Golfo, a picturesque seaside resort on the northwestern coast of Sicily. Known for its striking views, sparkling blue skies, and charming atmosphere, Castellammare del Golfo is considered one of the most beautiful resorts on the island. Once there, we will take a leisurely walk through the town with our tour leader, allowing you to fully appreciate the beauty and tranquility of the surroundings.

You will also have some free time to explore on your own, whether it's strolling through the town or enjoying the scenic views. In the evening, we will return to our resort to enjoy a delicious dinner, showcasing the local flavors and specialties of the region. It's a perfect way to end a day of sightseeing and relaxation in one of Sicily's most enchanting locations.

Itinerary Overview: Day 3 – Erice

After a satisfying breakfast, we set off for a memorable excursion to the picturesque town of Erice. Perched high on a rocky hilltop, this medieval city is a true gem. Erice offers some of the most stunning panoramic views in Sicily, with sweeping vistas of the Trapani Valley, the coastal town of San Vito lo Capo, and the Egadi Islands. These breathtaking views, combined with the town's historic charm, will surely leave a lasting impression.

One of Erice's standout landmarks is the Castello di Venere (Castle of Venus), which is dramatically positioned at the edge of a cliff. As you approach the castle, the vistas become even more spectacular, providing a perfect photo opportunity. After exploring the castle, we will continue our visit to the nearby Garden of Erice, a peaceful and scenic spot that offers a relaxing escape amid lush greenery.

Next, we will wander through the narrow, winding streets of the town's historic center. As you stroll through Erice, you'll experience a tranquil atmosphere, with charming shops selling authentic local products, from artisan crafts to culinary specialties unique to the region.

Later, we will return to the resort for a well-deserved dinner and time to relax after a day full of discovery.

Itinerary Overview: Day 4- Cattedrale di Monreale

After a delicious breakfast, we set off for the stunning Cattedrale di Monreale, a masterpiece of Norman architecture. Take your time to explore the cathedral's intricate mosaics and rich history. Built in the 12th century, this awe-inspiring cathedral is renowned for its dazzling mosaics, which cover over 6,000 square meters of its interior. These mosaics, crafted with meticulous precision, depict biblical scenes in vibrant gold, offering a breathtaking visual narrative of the Christian faith.

Following the visit, enjoy a leisurely stroll through the nearby shops, where you'll have time to pick up some local souvenirs and keepsakes.

In the afternoon, we return to the peaceful atmosphere of the agriturismo, where you can relax and unwind, taking full advantage of the resort's amenities—perhaps a walk in the gardens, or just some quiet time to soak in the beauty of the surroundings.
